

WESTMINSTER WOODS

SEASONAL STAFF

Camp Training

Our staff receives training in working safely with children, signs an affidavit regarding staff conduct and camper-staff contact, which includes never being alone with a camper, and emergency procedures. Seasonal Staff are not allowed in camper housing. The camp also has a multi-level accountability plan.

Selection

These applicants are chosen based on their spiritual character, competence, maturity, and a desire to support the mission of the camp.

Background Checks

Every staff member must provide references and completes a background check which includes a nationwide criminal search, nationwide sex offender registry search, social security search and a statewide & county criminal search.
