WORDS FROM THE DIRECTOR, BRIAN WHEELER

I have gotten older, I have come to understand that history is very important to us all. History helps us see where we have made mistakes and history shows where we have been successful. It is important to learn from both. A great success we can look back on took place in 1964, when camping began at Westminster Woods; when the hard work of creating a camp came to fruition. A group of people had a vision to set aside a property in Wilson County, Kansas that would be dedicated to the Glory of God. Due to their dedication, thousands of people have been introduced to the love and grace of Jesus Christ. I am so grateful for the history of Westminster Woods but also looking forward to the future and how God will move at Westminster Woods for the next 60 years and beyond.

We are celebrating 60 years of camping at Westminster Woods! A lot has changed in those years, but much is the same. The campers are still singing praise to God, swimming in the lake, sitting around campfires, running through the woods during night games, studying their Bible, eating at the dining hall, building Christ-centered relationships, and learning who God is. On June 8th, we will gather together to celebrate all of these things. Please join us for a meal and Chapel. You can RSVP for this free event on our website.
