WESTMINSTER WOODS

WHERE FAITH GROWS!

I first went to Westminster Woods in 4th grade, now, as a senior in high school, I have attended 27 retreats at the woods. Throughout these years, I have bought into what God has to offer me at this amazing camp. While the campgrounds themselves feel like home to me, the staff and campers that are there each time I visit truly make the most special memories. Through all of the retreats that I have attended, I would pin the importance of a Christian community as the most impactful lesson. Because of the people that surround me and continually pour into me, my faith is consistent and constantly growing. At Westminster Woods, God speaks through people, God creates life-long friendships, God fills the chapel with the holy spirit, God reveals himself in mysterious ways, and God remains. I am overwhelmed with his love that is ever so present every time I enter that front gate. The woods have become my home away from home. It's where I find the most meaningful friendships and where my faith grows stronger. I am forever grateful that God placed me at Westminster Woods.

In the last few years, Westminster Woods has had the opportunity to serve thousands of campers from Kansas and the surrounding states. Normally, all summer long and nearly every weekend throughout the year churches, youth groups, and other ministries come to "The Woods" to grow in their faith. Praise God for the way He has and will continue to work at Westminster Woods!

WHY GIVE?

It has been proven that camping ministry can have a huge impact on a young person's faith journey. We do not want that experience to be hindered due to financial circumstances. Westminster Woods does not charge the full cost of what it takes for a camper to come to camp. Donations make it possible for hundreds of campers to attend camp who would otherwise not be able to afford it.
